Re: 1987 Cable Distribution Proceeding (Phase II)

Dear Chairman Argetsinger:

During the presentation of the Direct Case of Broadcast Music, Inc. in the hearings held in December in the captioned proceeding, the Tribunal requested that BMI supply further information concerning four aspects of BMI's Direct Case. These requests were as follows: (1) to provide the Tribunal with a list of the awards to BMI affiliates mentioned in the Appendix to BMI's Direct Case, which contains four issues of Music World magazine; (2) to undertake a title by title analysis of the ownership of the 142 albums designated by the Recording Industry Association of America as "Gold Albums" in 1987; (3) to provide a breakdown of the components of BMI's 1987 license fees designated as "Foreign or Other" in the testimony of Robert L. Ahrold; and (4) to state the amount of fees paid to BMI in 1987 by non-NPR noncommercial radio stations in 1987.

The response to the first request is contained in the list of awards attached to this letter as an Appendix. The response to the second request is still in the process of compilation. BMI has received the record label copy for the 142 albums from the Archive of Contemporary Music, a New York-based non-profit recorded music archive and research facility, whose repository includes over 750,000 albums, with an emphasis on popular contemporary music. A complete comparison of the information on the record label

-2-

copy with BMI's business records has been delayed by the deadline for filing rebuttal cases on January 10, 1990. We hope to submit this analysis to the Tribunal on Tuesday, January 16, 1990.

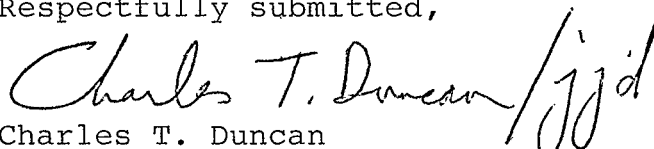

The breakdown of the "Foreign and Other" revenues received by BMI in 1987 is as follows:

<u>Foreign</u>	<u>Other (capital gains and publisher affiliation fees)</u>	<u>Total</u>
\$32,916,000	\$298,000	\$33,214,000

Finally, the amount paid to BMI in 1987 by noncommercial radio stations not affiliated with National Public Radio was \$37,318. Note, however, that this amount does not include those noncommercial educational stations licensed under BMI's college licensing agreements.

If the Tribunal desires further information on any of these matters, please contact the undersigned. A copy of this letter, including attachments, is being sent by overnight delivery to ASCAP.

Respectfully submitted,

Charles T. Duncan
Counsel for Broadcast Music, Inc.
